Dear Parent(s) / Carer(s)

Thank you for all you are doing in supporting our students with their home learning. I know you are doing a great job from what I am hearing from you.

Please can I ask that you and your child do not get too stressed about the work, as my Dad always said to me: 'Just do your best'. These are times when families need to be together supporting each other not getting stressed about home learning.

I know people are involving their children in cooking, cleaning, doing PE together, talking about the news and so on. These activities are just, if not more important, than school work.

Take care, you are in our prayers.

Mr Bell  
Academy Principal
