Principal: Mr Chay Bell

Dear Student and Parent/Carers,

Further information about how students will receive grades for their qualifications was published on Friday 20th March.

Exam boards and regulators will use a range of information to award calculated grades to all students who were due to sit examinations this summer. They aim to release these grades to you in July. There will be an appeal process where students don't feel the right process has been followed. Students will also have the opportunity to sit examinations in the autumn and/or next summer.

Our advice to students is to continue with their studies until they receive their calculated grades. This is to ensure that they are well placed to sit examinations at the earliest opportunity if they wish to improve upon the grade they receive. Teachers will continue to set work on our website to support students in this. Link: www.sentamu.com/lesson-resources .We also recommend apps and websites like; Seneca and BBC Bitesize

The guidance in full can be found at www.gov.uk/government/news/further-detailson-exams-and-grades-announced and a series of FAQs answered here www.gov.uk/government/publications/coronavirus-covid-19-cancellation-of-gcses-asand-a-levels-in-2020/.

If you have any queries about this process please contact me via info@sentamuacademy.org

Please do not contact your teachers directly with queries about this process or your grades.

Yours sincerely,

Mrs T. Drinkwater
Vice Principal
