

To the Parents and Carers of Year 10/Year 12 Students,

It is with regret that we have made the decision to cancel the Work Experience programme that was due to take place in July of this year.

Unfortunately with many employers unable to now provide placements and the fact the government has introduced guidelines on social distancing, due to the coronavirus, it is unable to go ahead.

The Academy will contact all placements to make them aware that students are unable to attend.

I wish to take this opportunity to thank you for your support and all your efforts to help secure placements.

If you have any questions please don't hesitate to email [johnson.k3@sentamuacademy.org](mailto:johnson.k3@sentamuacademy.org) and I will be happy to answer your queries.

Yours faithfully,

Miss K Johnson
