Principal: Mr Chay Bell

Dear Parent/Carer,

Due to the current restrictions surrounding Coronavirus, the academy has taken the decision to slightly amend the school policy regarding PE/Scholarship kit for lessons, in order to minimise risk for students.

On the days when students are timetabled to have PE/Scholarship lessons, they will come into the academy wearing their PE/Scholarship kit and will remain in this for the rest of the day.

In accordance to government guidance, lessons will take place outside for the foreseeable future. With consideration to this, we have adapted our kit policy accordingly to ensure students' well-being and safety is prioritised. Students will be required to come into the academy in their usual PE/Scholarship top, but will be allowed to wear the following:

- **Plain** black/navy hoodie or sweatshirt on top (no logos or stripes)
- **Plain** black shorts (no logos or stripes)
- **Plain** black joggers (no logos or stripes)
- **Plain** black skins or baselayers to go underneath kit (no logos or stripes)

It is also strongly recommended that students bring a thin waterproof jacket for wet weather as students will be returning to their lessons in their kit, following PE/Scholarship. Students can also bring a change of footwear that can be left in their bag that they can change into, if required.

If you would like to purchase kit which has the academy logo, there are a number of items available from Steady School Wear on www.steadyschoolwear.co.uk

There are a wide range of benefits associated with exercising and positive mental and physical health, which highlights the importance for students to return to PE/Scholarship lessons in the safest way possible. The safety and welfare of our students is paramount, and we hope that you will support us on the decisions that have been made during very difficult circumstances. If you have any further questions, please do not hesitate to contact the academy on 01482 781912.

Yours faithfully,

PE / Scholarship Department
