Principal: Mr Chay Bell

Dear Pre Sixth and Sixth Form students,

I just wanted to write to you after the Government's announcement about there being no examinations this year.

We are awaiting more details from the Government and Ofqual (the people who are in charge of examinations) and when we have heard from them we will contact you again.

In the meantime, you should be ensuring you are doing all you can with your learning. Please ensure you attend all Google meet lessons (if you need a laptop please contact the Academy on info@sentamuacademy.org) and complete all work set by your teachers. The better the work you complete the more evidence we have for the grades we have to submit for you.

There are still colleagues in the Academy and remotely who can support you, please contact wellbeing@sentamuacademy.org or riley.r@sentamuacademy.org (for Pre-Sixth) and gittins.m@sentamuacademy.org (for Sixth Form) if you need some support in this area. For any concerns you may have about your learning please contact your subject teacher or the Y11/12/13 Progress team detailed below:

Year 11:

Year 12/13:

Please remember you are in our prayers.

Yours sincerely,
